This tax credit applies to qualified energy efficient products purchased and installed between January 1, 2017 and December 31, 2021. The tax credit amount is 10% of the cost, up to \$500 (NOT INCLUDING INSTALLATION). This credit is applicable for the 2020 tax year.

A taxpayer is not required to attach this certification statement to the return on which the credit is claimed. Income tax regulations require taxpayers maintain records enough to establish the entitlement to any credit claimed. This certification statement and installation instructions are provided in printable form on the [www.greenfiber.com](http://www.greenfiber.com) website.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.
